Eye camps organised by quacks

1978. SHRI M. S. GURUPADASWAMY:
DR. SHYAM SUNDAR MOHAPATRA:
SHRI V. GOPALSAMY:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the Central Government are aware that as many as 553 persons had lost their sight through treatment in camps organised by quacks in Rajasthan;

(b) whether Government are aware of identical happenings in other parts of the country; and

(c) if the reply to parts (a) and (b) above be in the affirmative whether Government propose to undertake a Central legislation for tackling the problem of quacks in the country?

THE MINISTER OF STATE IN THE DEPARTMENT OF HEALTH (SHRI YOGENDRA MAKWANA): (a) and (b) As per available information the number of persons who lost their eye sight after operation in eye camps during the years 1981 and 1982 is as under :—

(i) Eighteen persons lost their eye sight in the States of Rajasthan in camps organised by quacks.

(ii) Twenty two persons lost their eye sight in the State of Rajasthan camps organised by quacks.

(iii) In Haryana, one eye has been damaged by quackery.

No fresh case of blinding by quacks from these States or any other State has come to notice.

(c) As per guidelines issued to all States/UTs, eye operation camps are organised by voluntary organisations with prior permission of the Chief Medical Officer of the concerned District and subject to the fulfilment of certain conditions for the conduct of eye camps. Chief Ministers of all States/UTs have been addressed to exercise utmost care and vigilance to prevent unqualified persons from performing eye operations and to alert all revenue, police panchayats and health authorities to effectively deal with such persons. In view of the guidelines, it is not considered necessary to bring Central legislation to tackle the problem.
